& coaching programme for boys
& girls from 2 years upwards

Call now for a free
introductory lesson
in your area

 07760 254 118

All year round at indoor
and outdoor venues

TENNIS TYKES

Our approach is a fun, play based programme that teaches & develops:

- Agility, balance & co-ordination, through the fantastic sport of tennis
- Social interaction and confidence within a caring supportive environment
- Listening, language & numeracy skills in a fun yet educational setting
- Personal achievement with reward stickers & charts for every child

Our two cheeky characters,
Tommy and Tessa Tyke,
are always around
to bring the
programme to life

Each coaching session includes:

- Supervision by qualified and trained tennis coaches
- Music for warm-ups and added fun for younger children
- Parental involvement with younger children
- Specially adapted mini tennis equipment
